The Honorable Carolann Wicks
Transportation Administration Building
P.O. Box 778
Dover, DE 19903

Dear Secretary Wicks:

Please accept this letter in support of the proposed transfer of the surplus government property to the Riverfront Development Corporation to be used for a Riverfront Multiplex.

I believe this project will help with the continuing revitalization of the City of Wilmington, and will have a positive economic impact on the area by creating jobs that are very important in the current fiscal climate. This will strategically assist the Riverfront Development Corporation in its continuing efforts to develop the riverfront.

Thank you for your attention to this matter. Please do not hesitate to contact me if I can be of any further assistance.

Sincerely,

A handwritten signature in cursive script that reads "Margaret Rose Henry".
